**Company  
Profile**

**BRK**

GENUINE BRAKES

Is a wholesale spare part company established in GuangzhouChina.

We have over five(5) years experience in auto parts exportation and distribution specialized in all Japanese cars.

Our sales branches are located in Tanzania, Democratic Republic of Congo and Mozambique.

We have well known brands with high quality standards which are Sora for suspension and other parts, Apono and Brk for Brakepads and Brakeshoe, Dabyon for shock absorber and Focus for Batteries that are available in all sizes, not only that but we also do sales for other brands from different manufactures.

Our goal is to meet our current and future customers preferences so we push forward to creativity and looking forward to a long-term business with our valued customers.

## OUR VALUES

### Accountability

We take ownership of our work and deliver outputs within prescribed time.

### Quality

We aim at producing products of high quality standards.

### Committed to customers

We think big and work hard to our very best and never satisfied with the goals we have achieved.

### Improvement

We find out means of improving our products so that we can meet our customers demands.

### Integrity and honesty

We hold strong moral principles that help us to do the right thing.

## OUR BRANDS

## SORA

Our SORA brand consists of engine parts, transmission and suspension, braking system, hydraulic cylinders, rubber parts, and steering.

In this brand we do also have garage machines which we sell them at retail. The machines are bush pressing machines, wheel alignment machine, wheel balance machine.

## APONO BRAKE PAD

Our APONO brake pad is created with half metal material, and it is non asbestos making it less environmental pollutant and it is not an enemy to the braking rotor during braking due to that fact it is easier on the disc.

## **BRK BRAKE PAD & BRAKE SHOE**

Our BRK brake pad is created with ceramic material which makes it have a good performance. It resists heat very well and don't wear out quickly thus makes its life span longer.

The design of the brake pad is less dust and silent brake design.

Our BRK brake shoe is created without asbestos making it not glaze or loose grip when overheated thus makes it not wear down fast.

## **FOCUS BATTERY**

Our battery brand FOCUS performs in high temperature weather.

The customer will be given a one-year warranty with a free maintenance of the battery making it user friendly.

Our battery brand is available in all sizes.

## **DABYON SHOCK ABSORBER**

Our DABYON shock absorber brand has a very good performance as it can perform in high temperature weather.

Also, it ensures the safest control of the car. With its high-quality oil seal design. There is no noise either no oil leakage.

## OTHER BRANDS WE SALE

Apart from doing sales of our brand we also do sales for other brands like:-
